

# IALR Bulletin Board

The Bulletin Board provides a calendar of meetings contributed by meeting committees, members of the IALR affiliates and others concerned with the rehabilitation of lands disturbed by mineral extraction and processing.

Send announcements of international and national meetings to the Secretariat. Meeting committees for conferences listed on the IALR Bulletin Board should review their announcements and send any additions or corrections to Dr. Richard Barnhisel ([asmr@insightbb.com](mailto:asmr@insightbb.com)) Please submit these items using our standard form which may be found as a subtopic to this section

Meeting programs and/or proceedings of the listed meetings may be available. Ask the contact person if these are available.
