ASMR NEWSLETTER

February – March 2004

Membership Dues

February 29 was the date the 2004 dues were to have been received. If you are not sure you have paid, write or Email me and I will check your name in the database. Otherwise, this will be the last issue of the Newsletter you will receive and your name will also be removed from the magazine mailing list.

NEW MAGAZINE FOR ASMR

The new magazine Reclamation Matters should have arrived by the second week of March. If you have not received your copy, contact the ASMR office. I have received several copies for new members, etc. I am very pleased with the layout and the professional manner of the publishing company. If you are connected with or know a company who would be interested in advertising in the magazine, I am sure there is space for you or this company. Advertising pays the printing and mailing costs. NOW IS THE TIME to send articles to Jeff Skousen for the second issue. I will also receive them as well. Send me or Jeff an electronic copy (Word) and be sure to include color photos (digital preferred). The more articles we have, the better the magazine and its value to both the readers and companies who advertise in the magazine. We hope to have enough material to increase the number of issues per year. I have read several good papers so far for the meetings in Morgantown. Although most are too long, many could be adapted to a magazine format. We hope to send issues to schools and if your school (elementary, high, or university) would like to receive an issue, let me know as this is a good outreach phase of our Society as well as an opportunity to gain new members.

2004 Meetings – Morgantown, West Virginia

If you are an author or presenter, **Final copies of revised abstracts and papers were due February 29 and those items received after March 15 will not be included on the CD.** All items should be sent **only** as Word or WordPerfect files and should be sent electronically to asmr4@insightbb.com or asmr@insightbb.com, or asmr2@insightbb.com.

On the registration form you will find the date for early registration is **March 15.** After that date, the registration fee increases by \$100.

Jeff has placed three new items on his webpage <http://www.wvu.edu/~agexten/landrec/land.htm> . These are on the **ASMR** site as well <http://ces.ca.uky.edu/asmr/Upcoming%20Events.htm>. These items include the registration form, the pre-program information, and the tentative schedule of sessions. Information is also in the center section of our new magazine Reclamation Matters.

OVER

2005 Meetings – Colorado June 19-22, 2005

Workshops and field trips are being planned that will extend the meetings one day on either side of the dates given above. Do you have ideas for a workshop as an instructor or student? Send these to Terry Toy or to the **ASMR** office.

2006 Meetings – St. Louis, MO March 27-28, 2006

A preliminary planning meeting was held in Denver in November, and a few committee chairs have been identified. A second organizing meeting was held February 23 in Denver. The following organizations made presentations and/or proposals as a part of the joint International Congress Acid Rock Drainage (ICARD) meetings to SME: ASMR (Dave Chenoweth gave our proposal) International Mine Water Association (IMWA), Acid Drainage Technology Initiative (ADTI), SME (Environmental Division), International Network for Acid Prevention (INAP), and Rocky Mountain Regional Hazardous Substance Research Center

The proposal ASMR made was accepted. We will manage the review of papers and prepare and burn the CD's. We will also be involved in hosting one field tour to Wetlands (Jack Nawrot will head up that committee). The details or minutes of the meeting have not been received. We are in need of volunteers for various committees but my notes are rather sparse as I participated by phone.

If you have ideas as to a theme for this meeting, a committee assignment, etc., please contact me.

DIRECTORY

Address change

Stu Bengson; 2548 W. Cezanne Circle; Tucson, AZ 85741-4214; phone (520) 743-0400 (sorry no FAX);
