ASMR NEWSLETTER

October 2004

**2005 Meetings – Breckenridge, Colorado
June 19-22, 2005**

You should have received by mail, along with the last Newsletter, the second call for abstracts and/or papers for the 2005 meetings. This has also been placed on the web page. **All abstracts should be sent only as Word or WordPerfect files electronically to asmr5@insightbb.com, or asmr2@insightbb.com.** Additional information is on the web page. Important dates: **Abstracts are due November 15; Draft copies of papers are due January 15; and the final revised copy is due April 15. If you plan to submit a Poster, that abstract is also due October 15.** Poster papers may also be submitted in written form for review and for publication in the proceedings for 2005.

THE ABSTRACT DEADLINE WAS CHANGED TO NOVEMBER 15 DUE TO THE MAGAZINE NOT HAVING BEEN SENT ON TIME. This change was necessary since the magazine was mailed to several persons who are not ASMR members and therefore they did not receive the call for papers electronically.

RECLAMATION MATTERS

The second issue of the magazine [Reclamation Matters](#) should have arrive in **Mid-October**. If you did not receive a copy, contact me at asmr@insightbb.com

The first issue of [Reclamation Matters](#) has been placed on the ASMR web page. I have a few hard copies left (< 15) if you would like one.

Have you considered advertising in our magazine? The distribution is in excess of 2000. Since the magazine is new, it needs your support now. Contact Jeff Skousen for information.

NEW ITEMS ON THE ASMR WEB PAGE

Washington Group Mining Project Gains Recognition for Reclamation Efforts from State of Idaho – **Additional photos added.**

Two Assistantship listings and one full-time position have been placed on the web page.

The February Issue of [Reclamation Matters](#) has been placed on the web page under publications.

Check out what is new on the web page <http://ces.ca.uky.edu/asmr> or use a web browser such as Google. Just type in asmr and our site is likely to appear on the first page. It has been very popular with over **1,600 hits** since the revisions were made in April.

Send me digital photos or slides and I will consider their being placed on the front page when I make changes in November. I need some from you otherwise I will use some from my personal file.

OVER

Ballots for the Election of Officers were mailed in October

You should have received your ballot to elect two members to the NEC and the president-elect.

VOTE today so you don't forget!

Membership Renewal Forms will be mailed in mid-November
