## ASMR NEWSLETTER

June, 2006

Note that there wasn't sufficient news to warrant sending newsletters in May. In addition, I was quite busy with editing papers for the Billings Land Reclamation Symposium.

### ICARD ABSTRACTS

The ICARD abstracts are now on the web page. Just click on the following address and it will take you directly to the site [http://ces.ca.uky.edu/ASMR/ASMR\\_Proceedings/ICARD\\_abstracts.pdf](http://ces.ca.uky.edu/ASMR/ASMR_Proceedings/ICARD_abstracts.pdf)

### BILLINGS LAND RECLAMATION SYMPOSIUM

The Billings Land Reclamation Symposium co-sponsored by ASMR the first week of June was highly successful. I believe the attendance exceeded 350. Hi-lights of some of the activities will be placed on the ASMR web page by the end of the month. In addition, photos of the winners of the student oral paper presentations have already been placed on the web page. The abstracts have been placed on the ASMR web page.

### ASMR EMAIL ADDRESS CHANGE

Newly installed software by the server which we use has essentially removed the SPAM so none of the email addresses will be changed. The email addresses [asmr@insightbb.com](mailto:asmr@insightbb.com), [asmr2@insightbb.com](mailto:asmr2@insightbb.com), [asmr4@insightbb.com](mailto:asmr4@insightbb.com) and [asmr5@insightbb.com](mailto:asmr5@insightbb.com) will continue to be active.

## RECLAMATION MATTERS

The sixth issue of the magazine Reclamation Matters is being prepared and hopefully will be mailed in mid August. This issue will contain some items associated with the Call for Papers for the Gillette Meetings June 2-7, 2007. The NEC authorized me to send a first class letter in June to test the accuracy of our mailing list. About 10% of these letters were returned. This letter had two flyers, and if you didn't receive this letter your address may have been in error. Please let me know, as this will mean you will not likely receive the next issue of Reclamation Matters. The magazine is sent by bulk mail and as such is not forwarded.

Have you considered advertising in our magazine? Contact Jeff Skousen for information.

## 2007 MEETINGS – GILLETTE, WY JUNE 2-7, 2007

The contract with the Cam-Plex has been signed. A second call for papers is included with this mailing. The date I am to receive abstracts is September 15, 2006. The draft manuscripts will be due December 1, 2006, and the final manuscripts will be due March 15, 2007. Send Abstracts to: Dick Barnhisel - [ASMR5@insightbb.com](mailto:ASMR5@insightbb.com)
